

Cast and Crew Nebraska Act (CCNA) Application for Qualification Checklist

Production Companies must first submit the CCNA Application for Qualification to determine the eligibility of a production activity. Before applying, please note:

- Full-length film, documentary and television programming applications must be received at least 30 days prior to the start of principal photography.
- Short-length film, animation project, and commercial applications must be received at least 10 days prior to the start of filming.
- There is a non-refundable fee of \$500.00 that must be received by DED to consider the Application for Qualification complete.
- Approval for qualification does not result in the reservation of tax credits.
- After the completion of the qualified production activity, the production company must submit an Application for Tax Credit before a tax credit certification is issued.
- DED will consider applications in the order in which they are received.

During the application process, you will be required to include and/or upload the following:

- A detailed description of the production activity.
- An estimate of expected qualifying expenditures, including an itemized budget detailing the total estimated budget.
- Certificate of general liability insurance with a minimum coverage of \$1,000,000.
- Copy of your Worker's Compensation Policy.
- Documentation that shows the project is fully funded other than post-production expenses. If the production is a commercial advertisement, then documentation showing full funding including post-production expenditures.
- Resume for Director(s).
- Resume for Executive Producer(s).
- Expected number of cast and crew who are Nebraska residents and expatriates.
- Expected production dates.
- List of proposed Nebraska shooting locations with estimated duration at each location.
- Current copy of the screenplay/script.
- Distribution plans or proof of distribution if a distributor has been secured.
