

# Developing Youth Talent Initiative Grant Application Preparation

The Nebraska Developing Youth Talent Initiative (DYTI) 2022 Application will be released on May 2, 2022. This document is intended to help you prepare your DYTI project. The 2022 DYTI Application will request these components:

1. Project information including total requested funds, cash match and in-kind match
2. Primary contact information
3. Lead business and collaborating school and contact information
4. Names of the schools, school districts and counties impacted
5. Occupations or skills of focus
6. Project details, including:
  - a. Activities that will take place
  - b. Statement of need
  - c. Who will be involved in the project
  - d. Who will be impacted and how they will be impacted
  - e. Specific goals the project seeks to achieve
7. Monitoring and evaluation plans, including:
  - a. Who will monitor and evaluate the project
  - b. How the project will be monitored
  - c. How the project will be sustained after the contract ends
8. Budget details, including what is requested from DYTI and what will be provided as match
9. Milestones of the project
10. Secretary of State active status verification
11. Any letters of support or commitment from collaborating schools, partnering businesses, etc.
