Draft Program Guides are now available for review on the CDBG-DR website (via [CDBG-DR/HUD Requirements/Program Guidelines](#)), which include goals and objectives, application processes, and/or implementation and compliance considerations.

As a reminder, 80% of the programmatic funds must be spent in Dodge, Douglas, and Sarpy Counties, designated as the MID (Most Impacted and Distressed) area by HUD.

These DRAFT Program Guidelines will be replaced upon HUD's approval of their content.

When you take time to review the Program Guidelines page linked above, you'll also notice the DED website has been redesigned. We've taken this opportunity to consolidate all the nitty gritty program implementation information for ease of reference. You'll notice that summary information (e.g., FAQs, program summary info) is still contained under each respective program toolbox ([Infrastructure toolbox](#), [Housing toolbox](#), and [Planning toolbox](#)).

If this email was forwarded to you, please sign up for regular updates on these CDBG-DR programs by clicking the following link and entering your email: [contact form](#).

For all your CDBG-DR related questions, please use the dedicated email: ded.cdbgdr@nebraska.gov

Additional details on CDBG-DR are available on the [CDBG-DR website](#). Program Fact Sheets, FAQs, and Toolkits can be found at this site. The CDBG-DR [Action Plan](#) provides background on the programs for Infrastructure, Housing, and Planning.

Thank you!
